

waterlogic®

WL50

High-performance water dispenser

The WL50 is equipped with premium filtration and an integrated in-tank LED UV making it ideal for high-traffic environments.

Advanced technology:

High performance filtration Configured with 5-stage reverse osmosis filtration or 4-stage carbon filtration.

In-tank LED UV In-tank LED UV technology helps maintain system cleanliness.

Surface protection technology*Key surfaces are infused with surface protection technology, inhibiting the growth of odor and stain-causing microbes.

Large capacity hot tank Equipped with 1.1 gallon stainless steel hot tank.

Number of users: 50+

Surface protection technology protects surfaces from odor and stain-causing microbes. It does not protect users against bacteria, viruses, germs or other disease causing organisms. This technology is not a substitute for good cleaning practices.
