

MUTOH**XpertJet C641SR Pro Eco-Solvent Printer/Cutter Combo****KEY FEATURES**

- A single **MUTOH AccuFine printhead** with print speeds up to 190sqft/hr (600x600dpi, bi-directional, i-screen: none.)
- A **built-in cutting assembly** allows contour and perforated through-cut functions up to 150mm/s.
- Driven by **VerteLith Genuine RIP Software**, bundled with FlexiDESIGNER MUTOH Edition 21, a \$2,199.00 value.
- **MUTOH MS31 GREENGUARD Gold** certified Eco-Solvent ink.
- **i-screen Intelligent Interweave** technology reduces banding by arranging printed dots in a way that takes into account how they look, creating smoother print images.
- **Dropmaster2** automatically calibrates bi-directional alignments, saving time and reducing adjustment variations among printer operators.
- The **FeedMaster** sensor allows for automatic media feed adjustments.
- If clogged print nozzles are discovered, the **Nozzle Area Select** function is performed and printing is resumed with selected nozzles re-mapped.
- **Media Tracker** prints a barcode prior to removing media. When specified media is loaded again, a built-in sensor reads the barcode and recognizes the amount of media remaining.
- **2-stage carriage height adjustment** for printing a wide range of media.

FAQ's**Q: Does it come with RIP software?**

A: Yes, the XPJ-C641SR Pro includes MUTOH's VerteLith Genuine RIP Software, bundled with FlexiDESIGNER MUTOH Edition 21, a \$2,199.00 value.
